

FIRST CHRISTIAN CHURCH

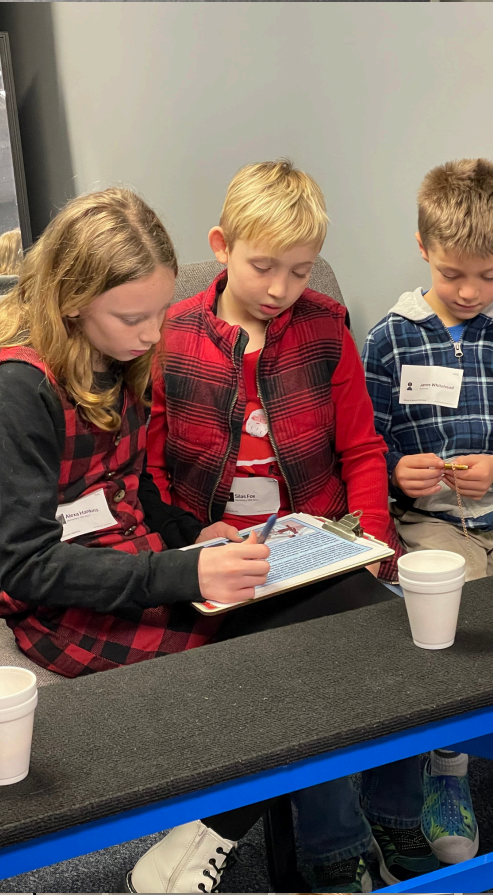

WELCOME TO FCC KIDS!

Thank you so much for joining us! FCC Kids is the Children's Ministry of First Christian Church. We serve families and kids from birth through 6th grade. Our leaders love to share Jesus and help kids to grow in their relationship with Him.

FCC Kids is focused on partnering with families to help you share Jesus at home as well. We want you to feel resourced and empowered to be the primary faith influencer for your kids.

While they are with us though, we love to have fun together, build friendships, learn to use the Bible, sing, and play games. We do all of this in an effort to help them know Jesus more. Safety is a large concern for us. We want every family to feel secure dropping your kids with us!

OUR LEADERS

FCC Kids has an AMAZING team of leaders. They all love Jesus and desire to see the next generation do the same!

Every leader undergoes a background check and a meeting with Megan. FCC Kids leaders are trustworthy individuals who will be caring adults with whom your kids can build strong relationships.

OUR SPACE

Nursery: Our nursery is open both services for birth-2. We have loving adults who are excited to love on your littles while you attend service. Your children will be well cared for in a safe environment.

Preschool Age: During the 9:15 service, we offer a class for 2s & 3s and a class for 4s, 5s, & Kinders. During the 10:45 service, we have one class for 3-K. While in class, your kiddos will learn from the Bible in a fun and engaging way. They will have time to socialize with other kids through play and will be well cared for in a safe environment with leaders who love them and want to share Jesus!

Elementary: During both services, we offer an exciting worship experience for 1st-6th graders! While here, your kids will learn from the Bible, play games, memorize scripture, sing, make crafts, and so much more. Our elementary leaders love sharing Jesus in a fun and engaging way.

FAMILY EVENTS

We know that life can be extremely busy, so we love to offer events for your whole family to enjoy together! Our hope is that these events throughout the year can allow you to pause, spend some intentional time together, and make fun memories that will last forever!

FAMILY RESOURCES

At FCC Kids, we want to partner with you and equip you in discipling your children. That's why we offer a variety of family resources designed to come alongside you in life and leadership at home.

WEEKLY FAMILY DEVOTIONAL

The curriculum that we use on Sunday mornings has an option to continue the conversation at home each week. The Family Devotional is posted in our private Facebook group and can be used to not only see what your kiddos have been learning, but also to prompt intentional talks in your home!

RIGHT NOW MEDIA

First Christian Church offers everyone who attends Right Now Media. This is an online resource FULL of videos, music, and Bible studies. To access this free resources, go to our website and search under the Resources tab.

FAMILY CHALLENGES

FCC Kids regularly has family challenges running. These might include BINGO pages of intentional activities, Bible reading challenges, or social media posts. Most of the time, these challenges can be found at our check-in desk. Be on the lookout for our next one!

FAMILY DEDICATION

We believe in families being the main faith influencers in a child's life. Every year, we offer two opportunities for families to make a public commitment to raising their little ones in a God-centered home. We as a church also commit to helping you in this effort in any way we can! Family dedication takes place in May and December. If interested, be on the look out for an informational meeting leading up to both months.

BAPTISM

We believe in water baptism by immersion at First Christian Church. One of our members has written a book that can help you and your child determine if this is the right next step in his/her relationship with Jesus. We do not have a set age at which children may be baptized.

COMMUNION

Jesus

THIS IS A TIME TO
REMEMBER THE SACRIFICE
THAT JESUS MADE FOR US
ON THE CROSS

COMMUNION

Part of our worship experience in Kids' Church (1st-6th) is communion. We believe that followers of Jesus should take communion when gathered. We also know that many of the kids in elementary have made the decision to follow Jesus. As a result, we observe communion each week.

We also recognize that not every child is ready for that, so we ask that as a family you have a conversation about whether or not your child should participate.

LET'S STAY CONNECTED

I love to stay connected to families throughout the week! Each week, a Family Devotional will be posted to a private Facebook Group for FCC Kids. I also send emails monthly to highlight what is happening in FCC Kids! FCC Kids has a YouTube channel that you can view to see messages your kiddos may miss.
